

CONDITIONS FOR PARTICIPATION

For exhibitors, vendors and service providers at the Expo Village of the ICF Sprint Canoe World Championship

1. General information:

The Hungarian Canoe Federation (hereinafter Organiser) organises the ICF Sprint Canoe World Championship (hereinafter World Championship) at the Olympic Centre of Szeged on 21-25 August 2019 and will also stage an Expo Village (hereinafter Expo Village) as an accompanying programme of the World Championship, providing an opportunity to its sponsors, partners, the entrepreneurs of Szeged and other interested parties to pursue promotional and commercial activities. The Organiser contracted Festival Full Service Hungary Korlátolt Felelősségű Társaság (hereinafter Expo Organiser) to design, build, organise, implement and operate the Expo Village at the venue of the World Championship, at the area allocated for such purposes. The Expo Organiser has prepared these Conditions for Participation with the approval of the Organiser to specify the conditions of application and participation for service providers (hereinafter Partner) intending to pursue promotional, commercial and catering activities (hereinafter Commercial Activity) at the Expo Village.

The Expo Organiser issues a tender on behalf of the Organiser for the right to participate in the Expo Village. The Expo Organiser grants the right of participation only to Partners selected in the tender, based on a contract concluded between the Organiser and the Partner. Only Partners entering into a contract with the Organiser and paying the fee invoiced by the Organiser on the basis of the contract may take part in the Expo Village.

2. Rules of operation of the Expo Village

2.1. Allocation of the territory

The Expo Organiser will define the specific location of each Commercial Activity at the Expo Village by taking into account the prior requests of the Partner whenever possible (allocation, positioning, site designation, etc.). The Partner must accept the installation spot designated by the Expo Organiser for trade. The Partner shall display the ID number ('house number') provided by the Expo Organiser at a visible place, in a manner suitable for identification and shall inform the Expo Organiser requesting the replacement of the ID when necessary. The Partner may not arbitrarily change or increase the area designated by the Expo Organiser and may not sell or pass it on in any way or in any part.

2.2. Commercial Activity, installation, permits

In the Expo Village the Partner may only pursue the Commercial Activity, sell the products or provide the services agreed in advance, indicated in their tender and approved by the Expo Organiser. The Expo Organiser shall have the right to prohibit the sale of any additional or unapproved goods or the pursuit of additional or unapproved activities and shall have the right to confiscate the goods from the point of sale. If the Partner does not comply with the order, the Organiser may terminate the contract with immediate effect. The Organiser and the Expo Organiser informs the Partners that at the World Championship no alcoholic drinks (other than beer served in plastic cups), tobacco products and goods that violate the public morale or are prohibited for under-aged children may be sold. Partner, in regard of refreshment drinks and mineral water can only sell the products and brands designated and permitted by the Organiser (PEPSI and Szentkirályi), any other refreshment drinks and mineral water brands displays and selling will be prohibited by Expo Organiser. The Partner may pursue the Commercial Activity only at the allocated place of installation, with the exception of those mobile vendors and those pursuing promotional activities who hold a special permit issued by the Expo Organiser for spots other than the place of installation.

The Partner may only build the installation agreed with the Organiser where no advertising activities may be pursued other than the indication of the Partner's company name and activity and the Partner may not pursue any activity, or use any amplifier or other audio technical equipment or any other instrument that impedes or disturbs the competitions and accompanying programmes of the World Championship.

The Partner must be in possession of the regulatory licences required for the activity and shall pursue the activity in compliance with the provisions of the law and the requirements of the authority. Irrespective of the Organiser and the Expo Organiser, at the World Championship the competent authorities may inspect the activity and validity of the permits of the Partner. The Partner shall obtain the required regulatory/operational permits no later than by the date of acceptance of the point of sale. All permits and licences shall be kept onsite and presented when requested by the Expo Organiser or the authorities.

The Partner shall fully comply with the rules of fair trading conduct, to provide accurate information to customers in accordance with the requirements and to serve them politely. The Partner shall fulfil the price information obligation and comply with the consumer prices as well as pursue the activity in a condition suitable for work. It is prohibited to leave any dangerous or flammable material at the sales premises unattended or to store such substances there in any large quantity. The Partner shall comply with the currently effective fire, health and safety and accident protection regulations and shall also enforce those towards their employees. The Partner may not make any statement or use any business practice that infringes the interests of the other partners or the World Championship.

If the Partner does not comply with the requirements pertaining to their activities or with the Conditions for Participation or if the Partner's Commercial Activity disturbs the other Partners or the visitors of the World Championship, the Organiser may terminate the contract with immediate effect and may have the Partner removed from the Expo Village with their installation and goods.

2.3. Mandatory opening hours

Mandatory opening hours of the Expo Village:

- 21 August 2019, Wednesday, 07.00- 20.00,
- 22 August 2019, Thursday, 07.00- 20.00
- 23 August 2019, Friday, 07.00-20.00
- 24 August 2019, Saturday, 07.00- 20.00
- 25 August 2019, Sunday, 07.00- 19.00

The mandatory opening hours may be altered by the Expo Organiser affecting no more than two hours a day if there is any change in the competition programme and official supplementary events of the World Championship or the International Canoe Federation (hereinafter ICF) decides to do so, in which case the Expo Organiser shall inform the Partner immediately. Any departure from the mandatory opening hours requires the permission of the Expo Organiser.

During the daily opening hours the Partner may not leave the point of sale unsupervised or unattended and may not close the stand during the opening hours. The Partner may depart from that rule only with the Expo Organiser's permission. If the Partner does not comply with the mandatory opening hours, the Organiser may, upon the Expo Organiser's proposal, impose a penalty at the rate of HUF 5,000 + VAT for each started hour.

2.4. Waste removal, guarding

The Partner shall take the waste generated during the daily activity and during the construction and demolition works to the waste collection containers provided by the Organiser and place it there. The Partner shall arrange for the professional storage and daily removal of hazardous or special waste and shall keep the area rented clean and tidy continuously during the period of the World Championship. The Partner shall arrange for locking the installation to the extent possible or for guarding it in some other way. Neither the Expo Organiser, nor the Organiser shall be responsible for any theft occurring in the area.

2.5. Rules of entry at the World Championship

From 21 August 2019, 06.00 only those can stay in the Expo Village who have valid accreditation (armband). The Partner will be granted accreditations and entry permits for their employees that match the size of the rented area and as defined in the contract.

The data required for accreditation must be submitted via e-mail to vasarvaros@szeged2019.com by 14 August 2019.

The accreditations and entry permits may be collected at the Olympic Centre, World Championship Accreditation Centre or directly at the Expo Organiser from 16 August 2019, 10.00.

The payment of the fee stated in the contract is a prerequisite of collecting the accreditation. If the data required for accreditation are not submitted at all or satisfactorily, or if there is any change in them, the Organiser cannot guarantee the instant issue of the accreditations.

2.6. Entry into the Expo Village, parking, construction, demolition, supply of goods

Cars can only enter the Expo Village as long as they supply goods, and if they have an entry permit and a vignette. The entry of cars is not limited during construction and demolition but vehicles that do not have a parking permit must leave the Expo Village by the start of the opening hours. If the Partner needs to keep a vehicle in the Expo Village during opening hours for the pursuit of the activity, the vehicle must also be included in the number of square metres of the requested area. A parking permit will also be required in that case, as no vehicle can stay outside the area indicated in the lease agreement even if it has a vignette.

The Organiser will have all vehicles staying at the site without any permit (vignette) and vehicles which are not parked in the area specified in the lease agreement removed and shall pass on the cost of transportation to the Partner as well as will instruct the Partner to immediately terminate the Commercial Activity.

The World Championship venue and the Expo Village can only be accessed from Bajai út. Outside the World Championship venue and the Expo Village, a paying car park is available at Szeged Airport.

The Partner may pursue the construction, demolition and goods replenishment activities during the periods indicated below.
